Dear «Name»,

We are pleased to welcome you to the Student Insurance Program from ACE Europe Ltd.

Below you can see your insurance card with your policy no.

Please carry your policy when travelling. This is your proof of cover and will ensure an efficient service.

In case of an emergency please see contact details on your ACE Assistance card printed below.

In the policy conditions you will find a detailed description of how your insurance works. The policy conditions and claim form will be handed by separate email.

If you have any queries, or if you need assistance in any matter, you are very welcome to contact info@expatinsurance.eu or Info.benelux@ace-ina.com.
